

**ARCHITECTURAL REQUEST FORM  
BROOKFIELD PARK HOMES ASSOCIATION**

Pursuant to the Declaration of Restrictions of Brookfield Park subdivision, I hereby request approval by the Architectural Control Committee of Brookfield Park Homes Association for the following alteration or construction on our Brookfield Park property:

Address of Property: \_\_\_\_\_

Type of Construction, Project Description and Project Dimensions: \_\_\_\_\_

Shortest distance between addition or new construction project and nearest lot line (Note: No part of home or dwelling may be located nearer than 25 feet to an existing street lot line on the recorded plat or nearer than five feet to any interior lot line):

The following material will be used in connection with this construction project (please specifically describe the materials to be used).

I am attaching a copy of construction plans and specification and a plan showing the location of the addition or construction project on my lot. I realize it is my responsibility to apply for and obtain a building permit and that this application does not constitute a request for a building permit. I realize that the Declaration of Restrictions of Brookfield Park provides that no building may be altered, replaced, placed or altered on any lot until construction plans and specification and a plan showing the location of the structure have been approved by the Architectural Control Committee of the Brookfield Park Homes Association. I request approval of this project at this time by the Architectural Control Committee.

Homeowner (PLEASE PRINT) \_\_\_\_\_

Telephone No. (Work) \_\_\_\_\_

**APPROVAL OF ARCHITECTURAL CONTROL COMMITTEE**

Pursuant to the Declaration of Restrictions of Brookfield Park Homes Association, the Architectural Control Committee hereby approves the above project. The Architectural Control Committee has not and does not express any opinion regarding the strength, engineering, design or safety of said construction project. A building permit should be obtained from the city of Olathe, and it is the homeowner's responsibility to see to it that the project is in compliance with all building codes, zoning ordinances and other laws and regulations.
